# Certificate of participation

The German Biobank Network (GBN) and the Integrated Biobank Jena confirm the successful participation of

**INCLIVA Biobank**  
Avd. Menendez y Pelayo, 4 acc., 46010 Valencia

in the proficiency test (PT) for bodily fluids 2025 consisting of following modules:

- Testing the homogeneity and volume accuracy of plasma aliquots
- Evaluation of inspection upon sample receipt and corresponding documentation
- Process assessment of sample shipment by checking shipping documents and packing according to ADR (UN3373) packing instruction P650
- Temperature monitoring and analysis of samples during shipment
- Testing for contamination in plasma aliquots using NMR
- optional: Conformity check of the sample report in accordance with ISO 20387 und DIN/TS 13283

The obtained results were provided with a detailed PT report and analysed in individual feedback interviews.
